There shouldn't be any real pace/draw bias here and **AROD** should lead them along from the front. **KODI BEAR, EURO CHARLINE, TOORMORE & BARCHAN** will also help make sure this is run at a decent gallop.

## Lockinge Stakes Summary

Dosage & Trends COMBINED shortlist (Total possible score 14)

**BELARDO – 13/14**

**DUTCH CONNECTION – 13/14**

**TOORMORE – 12/14**

**KODI BEAR – 12/14**

### Conclusion/Selection(s)

**BELARDO (R Varian)** – Things didn't pan out for the 4yo last time out from a pace perspective but there shouldn't be an issue on that score here and he should get a decent tow into this contest. Soft/Good to Soft ground looks prime underfoot conditions for him (1118324) and as a former winner of the G1 Dewhurst we know he is up to G1 level. Atzeni back in the saddle is also a major bonus to my eye as he is 14141 (3/5) when riding the horse (other jocks are 1/9 when riding him). The horse took a minor form bobble at times last term but he ended his season on a high, has started this one in fine form and should go close here.

**TOORMORE (R Hannon)** – It's hard to get away from last season's runner-up, even more so since his seasonal debut run where he ran very close to his career best figure (1lb below). At the weights he should have Dutch Connection covered off levels, he's adaptable on the ground and we know he handles the track well based on last year's second to Night Of Thunder. He also has a remarkably consistent record when starting at an SP of 4/1 or less (111311121) and I want him on side here.
